Dear Santa,
I hope that you have had a good year. I've had a good year full of family, friends, and dancing. I didn't really know what I wanted for Christmas until my sister mentioned something that reminded me of something that I would like. It may sound strange, but I would rather like a ball gown, and maybe a cloak. That is all that I can think of. Anything dance, cat, horse, book, or purple related usually is good. I don't really need anything. I going to ask you a few questions, you don't have to answer.
1. Are your reindeer really nice, and do they speak?
2. How long does it take to prepare for Christmas?
3. Do you know any (or many) magical creatures/beings?
4. Do you really, really, really, really, really enjoy your job?
5. What do you want for Christmas?
I hope I don't seem to pushy. Thank you on behalf of people all over the world for all the joy, hope, love, and holiday cheer you spread.
Merry Christmas and Happy New Year,
Lucy Marie Manry

Can I have a racing car that is pink and has a controller. One more thing, can I have one bracelet that has pearls and one big seashell on it. Thank you.
