

"I only had my reception here and it was beautiful as well as very convenient with having a suite right upstairs. My bridal party and I were able to have the suite all day to get ready and enjoy our day. Plus being on Main Street made the photography even more beautiful. My favorite part was the lighting for the room it can be adjusted to match your wedding colors and changed throughout the night. My reception was a blast and I wouldn't change it for the world. Also the food was delicious." -JORDAN
