

Your final four choice?

STRONGLY CONSIDER:

DR. NICHOLAS HARDING

Dr. Nicholas Harding is a New York native, who earned his medical degree from Texas Tech University Health Sciences Center School of Medicine. He completed his Orthopedic residency as Chief Resident at Kingsbrook Jewish Medical Center in Brooklyn, NY. Dr. Harding also is Fellowship trained in Arthroscopy and Sports Medicine. Dr. Harding's focus is on complete Orthopedic care with special interests in total joint arthroplasty, geriatric care, pediatric orthopedics, diseases of the shoulder, fracture care and sports medicine.

DR. PHILIP HOLZKNECHT

Dr. Philip Holzknrecht is a New York native who earned his medical degree from Georgetown University and completed his residency training at the William Beaumont Army Medical Center – Texas Tech, El Paso Combined Program. He is a decorated U.S. Army Veteran of Desert Shield and Desert Storm, serving as a Flight Surgeon for the 3rd Armored Cavalry Regiment. His orthopedic specialty interests include Sports Medicine and Arthroscopic surgery of the shoulder and knee, joint replacements, pediatric orthopedics, trauma and general orthopedics.

DR. GREGORY TANNER

Dr. Gregory Tanner is originally from Youngstown, Ohio and earned his medical degree from Northeast Ohio Medical University in Rootstown, Ohio. He is a dual fellowship-trained orthopedic surgeon specializing in comprehensive care of the shoulder as well as adult reconstruction of the hip and knee. He completed his training with a Shoulder/Elbow Fellowship at Florida Orthopaedic Institute in Tampa and an Adult Hip and Knee Reconstruction Fellowship at the CORE Institute in Phoenix. Dr. Tanner is well versed in Mako robotic surgery and revision of the hip and knee.

DR. WILLIAM ZIMMERMAN

Dr. William Zimmerman is a native Virginian and earned his medical degree from Virginia Commonwealth University. He completed his orthopedic surgical residency at SUNY Upstate Medical University in Syracuse, New York, then finished his training with a fellowship in hand and upper extremity surgery at the University of Alabama at Birmingham. Dr. Zimmerman believes in a collaborative treatment plan with his patients, which includes working closely with a certified hand therapist for both non-operative and post-operative treatment in order to gain an optimal result.
