Remembering 911

On Friday, Sept. 11, the Bedford Fire Department had a wreath laying ceremony at the National D-Day Memorial to remember the lives that were lost in the attacks against this country and the sacrifices made by those who sought to save their fellow citizens.

Simba: Male Mixed Breed dog

Chimmy Changa: Male Domestic House Cat 3 Years old

Pets available from animal shelter

Simba is a 9 year old Neutered male. He has the most beautiful blue eyes. He's a very handsome boy. He was surrendered to the shelter for chasing chickens. Simba was primarily an indoor dog and appears to be housetrained. He has a very gentle and sweet personality and would love a family with a nice fluffy couch he can lay on. If you are looking for a family dog, this could be your boy! They always suggest a meet and greet if there are any other pets in the home. For more information about Simba, email fobcas-friends@gmail.com or call the shelter at 540-5867690. Big boy alert!. This big old fluff ball is Chimmy Changa. What a sweet boy he is. He's had some tough luck recently and he looks a little scruffy. We would like you to know that under that rough looking exterior is an amazing boy. He would love to have a family that will love him and keep him safe. Chimmy is neutered and fully vaccinated. Visit the shelter and meet the big boy. For more information about Chimmy Changa, email fobcas-friends@gmail.com or use the link below to apply for adoption. <https://friendsofbedford-countyanimalsshelter.rescuegroups.org/forms/form?formid=4144>

Constitution Week

Constitution Week is celebrated across the country during the week of September 17-23. Mayor Steve Rush met with Daughters of the American Revolution (DAR) Regent Karen Rowlett and signed a proclamation declaring Bedford's recognition of Constitution week. This proclamation urges citizens to reflect upon the many benefits of our Federal Constitution and American Citizenship. (not pictured Carolyn Prince, DAR Constitution Week Committee Chair).
