

Attention Attention Attention

Attention All Pastors Preachers! The time is now to show unity and strength in numbers.

Never before has there been times like these. Where gains fought for through Civil Rights and Equity are being taken away from us.

We need you to come and help us fight for our rights and help us be at the table when decisions are made that impact our communities, not just settling for the crumbs that fall from the table.

The BMCRV invites you to join us and become a member.

United we stand divided we fall.
