

Suffolk Foundation

Improving our community...one gift at a time

The Suffolk Foundation can help you to recognize special people who have made a difference in the local community and in your life.

In Tribute ...

The Tribute page (www.suffolkfoundation.org/tributes) will be updated monthly reflecting donations in memory/honor/tribute of honorees, as well as published annually in Suffolk Foundation communications and in the Suffolk Living Magazine. Tribute donations are placed in the Suffolk Foundation Community Impact Fund to support charitable needs in and around the Suffolk community.

Every gift is 100% tax-deductible

When a tribute or memorial gift is received, the Suffolk Foundation will send an acknowledgment to the person or family Indicated, notifying them of your thoughtful donation, but will not reveal the amount of the donation.
