

## Times gives our sales a boost

"Being in business for over 60 years, I have always found the *Fauquier Times* to be a useful tool for 'total audience reach.' We still like the old-fashioned way to reach our audience through our local community newspaper, with the help of Nancy Keyser. She has taken time to show us different and creative ways to reach an even larger audience by including the web in our advertising. With consistency in running ads we have always found an increase in our sales."
