

Respect Your Independence... Don't Drink & Drive.

DON'T DRINK & DRIVE!

Play your cards right, by remembering not to drink and drive. When you drink and drive, you're not only taking a gamble with your own life, your decisions also affect the lives of other people. With this thought, please always remember to designate a sober driver early in the evening if you plan on drinking.

Celebrate Like Your Life Depends on It:
DON'T Drink & Drive!

Driving under the influence threatens your freedom, your life and the lives of others.

This July 4th weekend, remember to celebrate responsibly by staying sober behind the wheel or finding a safe ride home.

HAND OVER YOUR KEYS.

Hold On to What Matters.

Drinking & driving can take away everything that matters most to you:
your freedom, your job, your reputation,
your future and even your life.

Make a commitment to yourself and others to drive sober this season.
