Farm to Table | Vint Hill

Introducing Alias, a culinary gem nestled in the heart of Vint Hill

As a family owned and operated restaurant, we take immense pride in supporting local, and cooking for our community here.

We offer an upscale tasting menu experience accompanied by an optional wine pairing, imitation pairing, or custom cocktail.

With only 30 covers per night, our intimate dining experience begins promptly at 6:00 p.m.

Want the best view of the night? Book our Chef's Counter, a wrap around bar that overlooks the open kitchen.
