**STATE OF NORTH CAROLINA  
UTILITIES COMMISSION  
RALEIGH**

DOCKET NO. E-22, SUB 675

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of )  
Application by Virginia Electric and Power )  
Company, d/b/a Dominion Energy North )  
Carolina, for Authority to Adjust its Electric ) PUBLIC NOTICE  
Rates and Charges and Revise its Fuel )  
Factor Pursuant to N.C.G.S. § 62-133.2 )  
and Commission Rule R8-55 )

NOTICE IS HEREBY GIVEN that the North Carolina Utilities Commission has scheduled a public hearing in the annual fuel charge adjustment cost recovery proceeding for Virginia Electric and Power Company, d/b/a Dominion Energy North Carolina (DENC). The public hearing has been scheduled to begin immediately following the hearing in Docket No. E-22, Sub 674, which is scheduled to begin on Tuesday, November 28, 2023, at 9:00 a.m., in Commission Hearing Room 2115, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina. This proceeding is being held pursuant to the provisions of N.C. Gen. Stat. § 62-133.2 and Commission Rule R8-55 for the purpose of determining whether an increment or decrement rider is required to allow DENC to recover all reasonable and prudently incurred fuel and fuel related costs. Public witness testimony will be received in accordance with Commission Rule R1-21(g).

On August 15, 2023, DENC filed its application for approval of its fuel and fuel-related cost recovery pursuant to N.C.G.S. § 62-133.2 and Commission Rule R8-55. By its application, DENC requests that the Commission approve the proposed total fuel factor of 4.5609 cents per kilowatt hour (¢/kWh), to be allocated based on voltage differentiated adjustments, including the base fuel factor, Rider A, EMF Rider B, and EMF Rider B-1. DENC proposes that the total fuel rate for each customer class be set as follows, effective February 1, 2024:

Customer Class	Total
Residential	4.6082 ¢/kWh
SGS & PA	4.6038 ¢/kWh
LGS	4.5713 ¢/kWh
Schedule NS	4.4299 ¢/kWh
6VP	4.4937 ¢/kWh
Outdoor Lighting	4.6082 ¢/kWh
Traffic	4.6082 ¢/kWh

Compared to the current fuel rates, the result of DENC's request would be a decrease of 0.1106 cents per kWh for residential customers, which would decrease the monthly bill of a residential customer using 1,000 kWh of electricity by \$1.10. Small general service and public authority customers would see a fuel rate decrease of 0.1087 cents per kWh, and large general service customers would see a fuel rate decrease of 0.1067 cents per kWh.

Specific information may be obtained from the Office of the Chief Clerk, North Carolina Utilities Commission, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina, where a copy of DENC's application is available for review by the public, and on the Commission's website at [www.ncuc.gov](http://www.ncuc.gov).

The Public Staff is authorized by statute to represent consumers in proceedings before the Commission. Written statements to the Public Staff should include any information that the writers wish to be considered by the Public Staff in its investigation of the matter. Such statements should be addressed to Christopher J. Ayers, Executive Director, Public Staff 4326 Mail Service Center, Raleigh, North Carolina 27699-4300.

The Attorney General is also authorized by statute to represent consumers in proceedings before the Commission. Statements to the Attorney General should be addressed to The Honorable Josh Stein, Attorney General, c/o Consumer Protection-Utilities, 9001 Mail Service Center, Raleigh, North Carolina, 27699-9001. Written statements may be emailed to [utilityAGO@ncdoj.gov](mailto:utilityAGO@ncdoj.gov).

Written statements are not evidence unless the persons appear at a public hearing and testify concerning the information contained in their written statements.

Any person desiring to intervene in the proceeding as a formal party of record should file a petition under North Carolina Utilities Commission Rules R1-5 and R1-19 on or before Tuesday, November 7, 2023. Such petitions should be filed with the Chief Clerk of the North Carolina Utilities Commission, 4325 Mail Service Center, Raleigh, North Carolina 27699-4300. The direct testimony and exhibits of expert witnesses to be presented by intervenors should also be filed with the Commission on or before Tuesday, November 7, 2023.

ISSUED BY ORDER OF THE COMMISSION.

This the 7th day of September, 2023.
